Supervisor Knabe made the following statement:

“The California Coastal Commission is planning to hold its January 2008 Commission meeting at Burton W. Chace Park in Marina del Rey. The three-day meeting is scheduled for Wednesday, January 9, 2008 through Friday, January 11, 2008. As part of the Agenda, among other items, the Commission will consider the Marina del Rey Local Coastal Program (LCP) periodic review. This report is of paramount importance to the residents and local community, as it represents a ‘report card’ of the County’s implementation of the Marina LCP.

“In order to encourage participation at the meeting and receive maximum input from the general public and interested parties on this critical report, the community room and parking lot at Burton W. Chace Park should be made available to the California Coastal Commission at no charge, and free public parking at County Parking Lot 4 in the Marina should be provided for the duration of the meeting.”

Therefore, on motion of Supervisor Knabe, seconded by Supervisor Molina, unanimously carried, the Board waived fees in the amount of \$705 for use of the community building at Burton W. Chace Park, excluding the cost of liability insurance, and waived the parking fees totaling \$6,840 for attendees of the California Coastal Commission’s January 2008 three-day meeting, to be held January 9 through 11, 2008.
